

Brisa[®] | Fresco

Combining style and functionality, **Brisa[®] | Fresco** features a striking texture that is brought to life with a modern color palette that pops. Performance enhancements include EPA-registered antimicrobial protection and a blended backcloth for expanded upholstering capabilities, making this style a resilient choice for a variety of high traffic settings.

Additional characteristics include:

- Leading durability (14+ weeks hydrolysis results).
- A breakthrough ventilation system that both elevates comfort by promoting airflow circulation and enhances softness for ultimate seating comfort.
- Notable acoustical properties for sound absorption. A unique cellular structure captures and dissipates sound for noise reduction when combined with foam backing or paneling, ideal for busy environments.

Distressed is a stylized fabric choice that is well-suited to the needs of the senses.
